

**MINUTES**  
**ENGLEWOOD EAST STREET & DRAINAGE**  
**MUNICIPAL SERVICE BENEFIT UNIT (MSBU)**

**ADVISORY BOARD REGULAR MEETING**  
**THURSDAY, MAY 13, 2026**

**1:30 p.m. – 2:41 p.m.**  
**Mac V. Horton West County Annex**  
**6868 San Casa Drive, Englewood, Florida**

**Members Present:** Glen Burnap, Chair  
Shaun O'Rourke, Vice Chair  
Jim Gersch  
Stephen Kalaf  
**Members Absent:** Andrea Jenkins  
**County Staff:** Lorraine Moneypenny, Community Liaison  
**Guests:** None

**Call to Order / Roll Call:**

The meeting was called to order at 1:30 p.m. A roll call was taken, and a quorum was established.

**Changes to the Agenda / Motion to Approve Changes:**

None

**Citizen Input on Agenda Items (3 Minute Limit):**

None

**Approval of Minutes:**

The March 12, 2026 minutes were unanimously approved as submitted.

**Unfinished Business:**

- a. Streets and Drainage: Mr. Burnap noted repairs to the lower-elevation section of the Gulfstream Blvd. sidewalk that floods during heavy rains. Mr. Gersch surmised that flow there is a feature of the drainage system; it dissipates in a few hours. He reported a sumped outfall on Mamouth St., and potholes on Spinnaker Blvd.

**New Business:**

- a. Financial Reports: The Advisory Board examined the maintenance report for April through early May and verified that most culvert cleaning is in response to drainage complaints. Members turned their attention to the ten-year projection. The community liaison confirmed that the 2025 paving loan has a fifteen-year term. The 2026 paving program and associated

loan will be postponed due to oil price volatility. Members agreed that this will put the MSBU in a better position to pay for the next phase of paving.

- b. Brush Cutting: Mr. Kalaf shared a response from Public Works about vegetation maintenance: "While this work is not performed for aesthetic purposes, we do make every effort to use the most cost-effective and practical methods to manage brush and overgrowth. Our primary goal is to maintain vegetation within the County's right-of-way to help ensure the safety of motorists and residents. This includes preserving clear lines of sight, preventing vegetation from encroaching onto the roadway, prevent vegetation from becoming so thick it restricts drainage." The community liaison added that boom mowers are not sharpened; they are followed by a chipper or a hauler, so cuttings left behind would be unusual and should be reported. Board members agreed that, while shattering limbs might be cost-effective and practical, it is not good for the health of woody vegetation.

**Citizen Input on MSBU Items (3 Minute Limit):**

None

**Advisory Board Open Discussion:**

The Advisory Board discussed the drought, Florida Power & Light underground line installation, scrub jay fees, a fire hydrant at risk of being submerged, and evident preparations for utilities work.

The community liaison said a drainage study is planned for Sawyer Circle, funded by West Charlotte Stormwater MSBU. She answered some questions from last meeting. The beacon installed at Gulfstream Blvd. and Spinnaker Blvd. is a school flasher and timer. There are three dips on Spinnaker Blvd.: on Access Rd., on Bonita Dr., and on Cougar Way. The Access Rd. pipe was lined in October 2024 and then shored up with millings. On Fruitland Ave., the slopes from the sidewalk are designed for a 4/1 grade, which meets the ordinance. Bicycle riding on the sidewalk is allowed but as it is narrower than a multi-use pathway, caution should be used.

**Schedule Meetings / Items for Next Agenda:**

Future meetings are scheduled at 1:30 p.m. in the Mac V. Horton, West County Annex Room 120, as follows:

- Thursday, September 17, 2026
- Thursday, December 17, 2026

The meeting adjourned at 2:41 p.m.
